All teams in the Suburban Blue Conference are all class 4. Because of this we will be running our conference meet the same day as the Kearney Invitational.

This gives all teams in the conference two weeks to train before Districts.

The only races to combine the Conference and Invitational runners will be the JV races.

If you do not have a strong varsity team you may run your Invitational team in the JV race.

Also, you may run 7 or less of athletes in varsity and the rest in JV races.
