**Misc. –Please share this information with your parents-**there will only be porta-potties available. **Parking will be \$5/car at the complex.** Handicapped parking and coaches are free. There will **be free parking at SPX High School** with a shuttle to the complex (1 mile).

Busses dropping off athletes will do so at the entrance to the complex. Do not take a bus into the complex as there will not be room to turn around. We will have a gator making runs to help with tents. You will only be at the meet 3 hours and out by 10:30am. It might be

worth it to leave tents at school this week. Bus parking will be at SPX. You will need to call your driver to pick you up from the athletic complex (approximately 1 mile away).

### **St. Pius X Invitational – September 28, 2019**

Entries: Complete entries online at <http://www.morgansports.net>

1. Choose the appropriate meet, click the link to register your school, and complete the required information.
2. Once your school is registered, you can login and submit your entries. Entries are not saved automatically, so be sure to save them before navigating away from the webpage.
3. It is not necessary to specify which race your athletes will be competing in; we simply need a roster list of everyone running. Note: Varsity races are limited to 7 runners per school. Running more than 7 could result in disqualification.
4. Entries do not need to be initially submitted in their entirety, you may return to finish, modify, and remove athletes.
5. Please do not register athletes you know will not be competing.
6. If you have questions email [craig@morgansports.net](mailto:craig@morgansports.net)
- 7. All entries must be completed by 5:00PM on Thursday, September 26, 2019.**
8. There will be no changes or additions at the meet. Please pickup your team packet when arriving to the meet.

Event Results: There will be no printed results packets for coaches, however you will be able to print the final results from the website that you registered your athletes (<http://www.morgansports.net/>) shortly following the meet. The site will also have the meet schedule and

course maps available for athletes, coaches, and spectators. No password will be necessary after registration is complete.
